

**FALL
FESTIVAL
FRIDAY**

During the day on Friday, November 4th, all students will get the opportunity to play many of the Fall Festival Games we will be having on Saturday. The PTO and JHC Staff will set many of these games up in the gym. Students will begin playing the games at 8:15am.

Tickets cost .25 each. Most games cost two tickets to play. There will be a small prize store set up for students to purchase a prize with the tickets they win at the games. Students may choose to hold on to their tickets until Saturday Night's Fall Festival to purchase a prize at the larger prize store we will have set up then.

We are very excited to offer this "Fall Festival Friday" again this year. This ensures that all of our students get an opportunity to participate in the Fall Festival. It also allows our PTO to raise a little extra money for the Fall Festival.

If you want your child to play some or all of the games at the Friday Fall Festival, just send the amount of money your want them to spend.

Thank You,

JHC PTO

P.S. – We will still be having the Regular Fall Festival on Saturday night, November 5th beginning at 4:00pm. We hope to see all of you there!
