

# *Lexi needs a cure!*

Dear Parents,

On January 30, 2013, Lexi Taylor, daughter of Jeff and Kathy Taylor or Tompkinsville, was diagnosed with **Type I Diabetes**. This diagnosis completely changed our lives! Our family had to learn a whole new “normal” in order to keep Lexi healthy and alive. With that being said, we wanted to mark this **one year anniversary** for Lexi in a positive way, and what better way to do that than to raise money to help find a cure!

## It's Easy.... This is How It Works:

- Our school has partnered with the Juvenile Diabetes Research Foundation (JDRF) and other schools in the district to host a Paper Sneakers Sale that will go on the week of **February 3<sup>rd</sup>-7<sup>th</sup> (Next Week)**.
- The paper sneakers will be used to decorate our hall to show our support for helping to find a cure!
- Paper Sneakers can be bought for a simple donation to the JDRF by returning the order form on the back of this note to school by **Friday, February 7<sup>th</sup>**.
  - **Red Sneaker - \$1.00**
  - **Yellow Sneaker - \$2.00**
  - **Green Sneaker - \$5.00**
  - **Blue Sneaker - \$10.00**
- All proceeds will be sent to JDRF directly, to support their mission – to help find a cure for diabetes. Thanks to dramatic research progress, a cure is now within reach!
- **Feel free to make the donation in honor of someone you know living with diabetes! They all need a cure!** (The name of the person you are honoring will be written on the sneaker for display!)

Thank you for your support!

Kathy Taylor

## Paper Sneakers for Juvenile Diabetes Research Foundation

**Please return this order form to school before Friday, February 7<sup>th</sup>**

<b>Name or Person Making The Donation:</b>	<b>Type of Sneaker Donation:</b> Red Sneaker - \$1.00 Yellow Sneaker - \$2.00 Green Sneaker - \$5.00 Blue Sneaker - \$10.00	<b>Name Of Person The Donation Is In Honor Of: <i>(Leave blank for NONE)</i></b>
