

**Monroe County Middle School
Site Based Council
October 15, 2014**

The council met in the conference room area of the building. Council member Mike Pitcock was absent. The minutes from the September meeting were presented. Hope Myatt made a motion to accept the minutes with a second from Carter Walden. All members were in consensus. The agenda was presented next with a motion to accept by Nancy Holder. Karen Copass seconded with all members in consensus.

The following reports were presented:

- **Monthly financial report for September**

- **Explore Scores**

Explore night will be held November 11th. Results and discussion of Explore scores will be available for eighth grade students and parents.

- **K-Prep scores**

At the time of the meeting, only individual scores were available. Teachers will meet October 22nd for data analysis of scores.

- **PLC schedule**

The PLC schedule for content teachers will change due to lack of staff to cover classes. A decision will be made at a later date as to what changes will be made.

- **Homework grades and Re-Takes**

A set of questions will be created as a survey for parents and teachers in order to receive feedback on grading homework and retaking tests in the classroom. These questions will be presented at the next meeting.

With no further items to be discussed, Hope Myatt made a motion to adjourn with a second by Nancy Holder. All members were in consensus.
