

**Monroe County Middle School
Site Based Council
September 17, 2014**

The council met in the conference room area of the building. All members were present. The minutes from the August meeting were presented. Carter Walden made a motion to accept the minutes with a second from Mike Pitcock. All members were in consensus. The agenda was presented next with a motion to accept by Nancy Holder. Karen Copass seconded and all members were in consensus.

The following reports were presented:

- **21st Century Team Council**

Mrs. Rendi Carter reported the highlights of the after school program, S.O.A.R.S., including allotment of money to be used for P.E. and music education supplies and a disc golf set. Mrs. Rendi also made a request for after school visitors to come through the front doors to ensure the safety of the students. She also made a request for all site based members to be a part of the 21st Century Team Council. Carter Walden made a motion to accept the request with a second from Hope Myatt. All members were in consensus.

- **PLC's**

Mr. Harlan reported on the agenda of the upcoming September and October PLC's. Content teachers would be working on pacing guides, student growth plans, and professional growth plans. Math teachers would also be compiling a list of similar terms to be used across the grade levels.

- **Monthly financial statement for August**

- **Evacuation Plan**

Mr. Harlan presented the school's updated evacuation plan.

- **K-Prep scores**

October 1st is the release to the media date. Teachers plan to meet during the second week of October to analyze data.

- **EXPLORE testing September 23rd.**

- **Reading Inventory**

Data is still being collected and Mrs. Hope Myatt will share the results at the October meeting.

With no further items to be discussed, Hope Myatt made a motion to adjourn with a second by Carter Walden. All members were in consensus.
